The trading brand "Jupiter" was established and registered in Georgia country in the year 2019. This took place with the aim of creating and distributing a variety of exclusive leather purses, hand bags, belts as well as general clothing and fashion accessories for women and men alike.

We incorporate some of the best natural leather quality materials with herbal, organic and anti-inflammatory colors. We are proud to announce that all our products are hand-made and produced with special care by some of the best leather artists in the region. Designed exclusively, the Jupiter Art Group works tirelessly to continue building on variety, uniqueness, quality and after sales customer support. This will be accomplished by earning our customers' trust in our work of leather art!
